Just checked my pay slip.... I got paid for all my OT at the regular rate .... Is it possible some of us got the waiver earlier than others??

Looked at my pay slip...

The waiver was not included for this pay... I received 17 hours at regular pay rate, and 13 hours at ½ the regular pay rate...

Just to ensure, since I have not does for a few years...

Assuming the waiver has now been paid, then on the next pay check, those hours we were paid at ½ rate, the other ½ rate will be retroactively paid...

Y'all might consider sending an email to everyone this affects to ensure they understand they will receive the rest of the ½ pay on the next pay check... ☺
